Guest Presentations:

Abby Hawkins, owner of 3 Dutch Brothers, wants to do a fundraiser to earn money for NHS Athletics. She is thinking a 5k. Will follow up with district about logistics. Ron will keep in contact.

Barry Albo talked about the football field restoration. He will be bringing in a formal request for funds to fill the gap. Already has \$1000 from NYFL and \$1000 from NHS. This will leave a balance of about \$4000.

Financial Report:

Treasurer's report shows that we have paid out \$16,495.70 in program grants year to date. \$6,237.53 is our total in liabilities. This leaves us with approximately \$25,700 (minus start-up money) available.

Grandstand/Stadium Sign Project: Sign is up and looks great!

Athletes of the Month: Hannah Johnson, Casey Kubisiak, and Mark Almquist are our May Athletes of the Month.

Committee Reports:

Valerie learned that the cost to update the website ourselves would be too high. Stacie will be more diligent in sending information to Heather.

NYFL would like to bring their concessions trailer to the football field during their games. We see no problem with that.

Turf Field/Track Update/Bond:

Bond passed!! Timeline will be set for track restoration. Weather needs to cooperate. Turf Field Committee now has a better starting point!

Revisions to Bylaws and Board Member Recommendations/Nominations:

Ron will check with the state for the needed paper work. We need nominations by next month (President, Secretary, Vice President). Term lengths should be changed from one year to two.

Open Forum:

The Fine Arts parents would like to join with the Boosters. Do we blend or just allow them to “use” our non-profit status?

Scholarship Committee members will be: Susan Adams, Carol O’Halloran, Stacie Wolfe, and Tim Burke.

Next Meeting: June 22, 2011 - NHS Library @ 7:00pm
