Greetings Community Supporter -

The Newberg High School Booster Club is a non-profit organization dedicated to supporting athletics and co-curricular activities at Newberg High School. This organization promotes and financially supports all students at Newberg High School through their activities and athletics. It is our honor to fund the programs that the students enjoy and ensure the opportunities for involvement are endless and of value.

This year we are excited to hold a golf tournament to kick off our fundraising efforts for the 2019-2020 school year. Our district is facing some tough times, and we are stepping up our game to show the kids with hard work and community effort anything is possible even in adversity. Our tournament will be held on August 18, 2019 at Chehalem Glenn Golf Course in Newberg, Oregon.

The day of the tournament we will be hosting on-course events, raffles, music and food and beverages. We invite you to join us as a sponsor for this event by choosing from one of our **"Sponsorship Opportunity Levels"** and/or supporting us through donations of prizes and raffle items.

By being a sponsor, you will be promoting your company and showing your support of the student-based activities and athletics at Newberg High School. We are expecting a highly successful and well-attended event. Your support is greatly appreciated, and we know with your support we can show the students of Newberg High School the example of collaboration, hard work, and dedication to service above self.
