Only 1 time in 19 years they have requested boosters help, fundraising has covered the cost in the past. Requesting \$1,200 for their apparel, will fundraise for the imprinting, approximately \$400. Jen suggested that Dave send proposal to us/Kristen and she can contact Travis regarding a Nike discount. Estimating 18 uniforms, final to come.

Dave spoke about the new incoming CV boys group and the talent that will be coming to NHS Tennis. Coach Brown asked us to connect with them this coming Fall, they are very willing to help in concessions or any other volunteer opportunities. Just email him and he will take care of sign-ups. Also mentioned they may be able to host tournaments at the new GFU tent. Talked about the goal to have 4 new courts between Mt View and the NHS current tennis courts, maybe 1 indoor court to enable tournaments which will create revenue. Will also benefit the schools as this would be considered and available as another gym. Don asked cost to build a new court, Dave estimated \$240k. Restoration to the current court, \$20k. They are currently 13 years old and need to be resurfaced soon. Resurfacing lasts about 12-15 years. Dave would like to meet with coaches and new superintendent to talk about the importance sports for youth and keeping them active and safe after school. Dave talked about the big celebration dinner they do yearly, and they make the event a huge deal by recognizing a player(s) encourages others to do better. Dan had an idea to promote or honor the members of each team at assemblies. Judy brought up the idea about connecting with sports marketing to help with ideas and collaboration.
