New Business & Grant Request Overview:

Coach Ron Quant; Men's Golf :

Ron gave a little history on golf, it is a newer program to NHS and they are in need for golf bags. The current bags are worn out from weather and wear/tear. Ron would like to see the golf program marketed better with personalized Newberg gear. The preferred bag (quote) would be the Jones version in Royal. They are made in Tualatin so no shipping fees included. The golf team is signed up for concessions and willing to help out with the golf items for the March NHS 2019 auction. Golf is also very involved in the new Golf Tournament. The bags typically will last 8-10 years and are able to be stored at the Chehalem Golf Course. The bags will be needed by early-to-mid February. Fundraising efforts and planning are still to come. Their input towards the auction has been noted and appreciated. Concerns about not providing bags for the girls was brought up. Jen and Kristen suggested we fund the girl bags as well. Dave Porter will also be assistant coaching, he was a pro at Pumpkin Ridge.
