### **Garrett Chaffee**

**NHS Football, Track & Field**

**Southern Oregon University**

- Garrett plans to attend Southern Oregon University and continue with Track & Field while studying Business in the Honors College.
- My advice for an incoming athlete would be to try everything before you say you don't want to do it. I understand that I'm a lucky person who gets to continue athletics in college, but many people only get high school, so they should take advantage of it while they still can. Another piece of advice I would give is to try just as hard in the classroom as you do on the field. School is the number one priority. Athletics come second. You are a student first.
