 - Thank you – Jen's annual tearjerker...lol Thank you Newberg Nation and all the Boosters past and present and future for giving so much of yourself in service of others. It's not easy by any means to keep the gas pedal pressed for as long as you do and I am forever grateful that when one of us gets tired, there's always someone there to take the wheel for a while. We aren't done yet, but we do get a break! This is an incredible organization I am so proud to be a part of, and it's been awesome to have led for the past four years. Thank you for trusting me, supporting my ideas, and giving me the opportunity to serve alongside such an incredible group of people. You allowed me to try new things, learn, fail, get a bunch of outfits, and have a lot of fun along the way. Through every event, fundraiser, challenge, and success, I am reminded that we are the lucky ones to do this together and have a front row seat to the future. In gratitude and love – Jen
